Dear Judge Nadeau,

I have been friends with Chad Evans since Kindergarten. During this time, he has been a loyal friend, who I could always count on.

Chad has helped me through rough times, and been there for the good-times as well. Because of this, Chad stood by my side on my wedding day, as one of my groomsmen.

The Chad I know could never have committed the horrible acts he has been convicted of. He is a decent, hard-working person, dedicated to his friends and family.

Thank you for your time.
